It's okay. It won't hurt.
But...
It'll be over quickly.
However...
Trust me, you'll get used to it soon.
I'm doing this for you.
You shouldn't do such indecent things at school-
Hey, what are you doing!?
サクラサクラ
SURELY, THIS SITUATION IS... ♥

It'll be bad if he doesn't put on this collar!

These "cats" are pretty rare nowadays,
But apparently, they used to be natural predators of birds.
Tadano-sensei said that if they don't have collars on, they could be disposed of...
にゃー

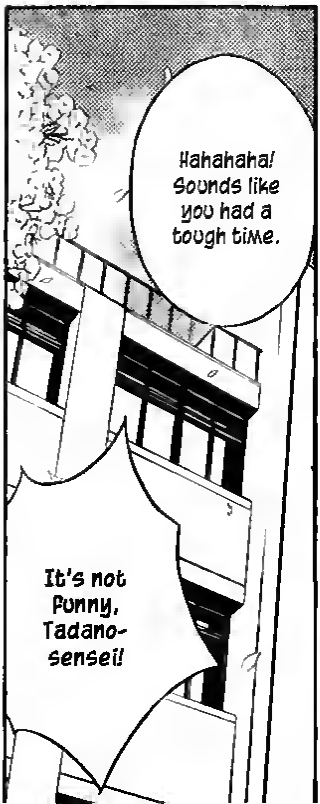
Oh, Himeshiro-san?

?
That was so misleading!

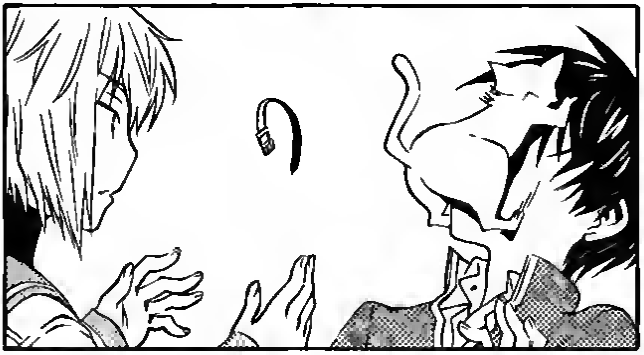
What on earth am I thinking...? There's no way he would...
Just hurry up and put it on.
Huh?

Why is she mad...?

Thanks, Shikishima-san. I'll make this quick.



Hahahaha! Sounds like you had a tough time.
It's not funny, Tadano-sensei!



Then you do it, Sensei.
It's really hard...
And Shikishima-san's siding with Cat, too...

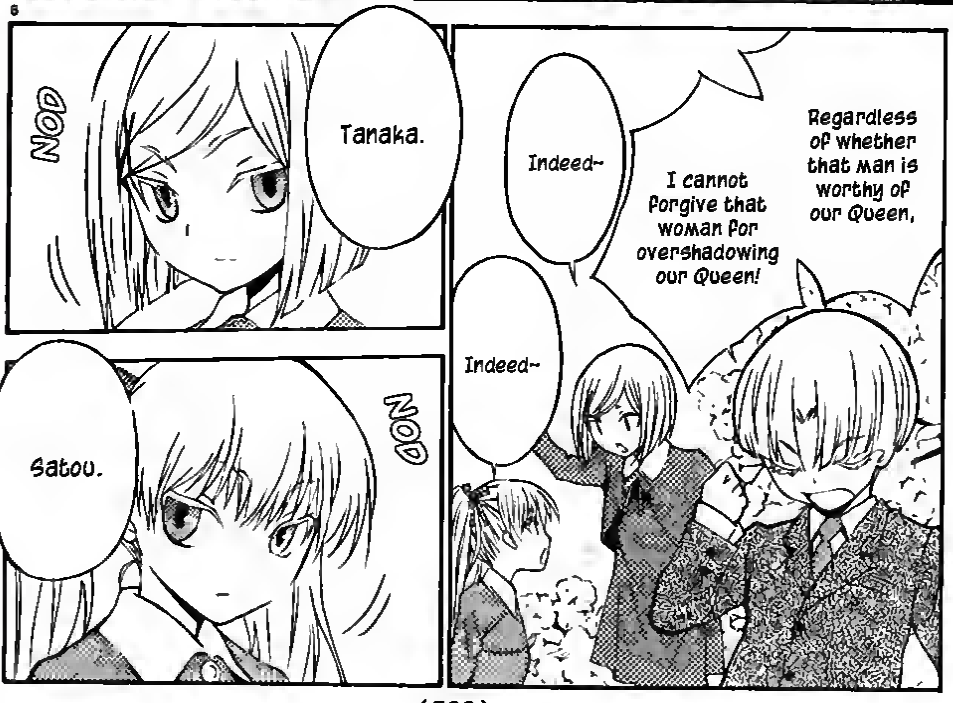
First, you should relieve the cat of its wariness by doing this...
Hehe~ Actually, I majored in Animal Behavior and Ethology~

Let me try!
That looks fun!

Stop! It's almost time for class!
Are you okay, Tadano-sensei!?
Let's look for him together later.
.....
I do not understand ...
I cannot comprehend this...
How dare that woman do such a thing to our Queen!?
Calm down, okay?

Why must we watch over our Queen
while she engages in breeding activities with those people!?
Don't under-stand~
Don't under-stand~

6

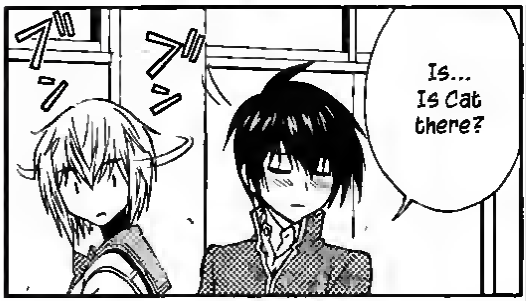


Tanaka.
NOD
Regardless of whether that man is worthy of our Queen,
I cannot forgive that woman for overshadowing our Queen!
Indeed~
Indeed~
Satou.
NOD

That man must choose our Queen as his partner.
BEHOLD
OUR POWER!

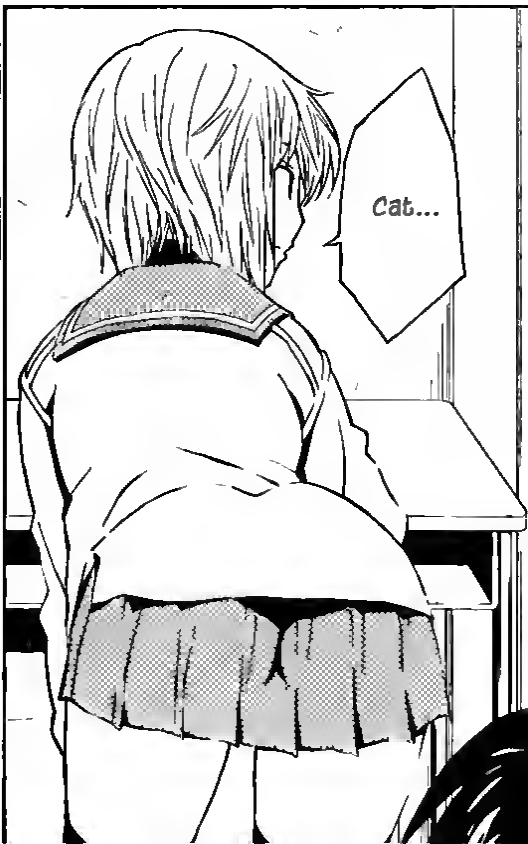
Cat...
Ah, Shikishima-san.
Cat...

Cat...



Is... Is Cat there?

Where did he go, really?

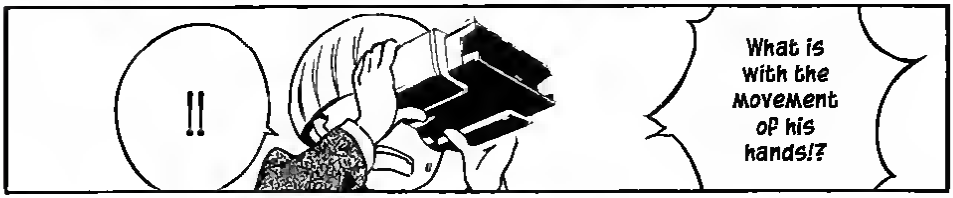


Cat...

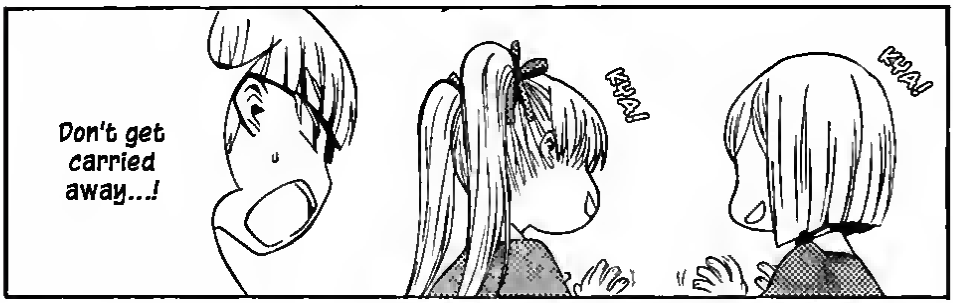
!?
I'm sorry, Shikishima-san! My body's moving on its own!
What's happening to me...?
Huh!?
Wait a second...!
A second...!!
Wait
FuFuFu~ Good going!

HNN...
I've seen in the documents that the older generation does such things!
Now, push her down with this thing called "carnal desire"!
Cat...
I'M sorry!
Cat...
I'M sorry!
Cat...
I'M sorry!

Cat...
It's so soft...!!
I'm sorry!

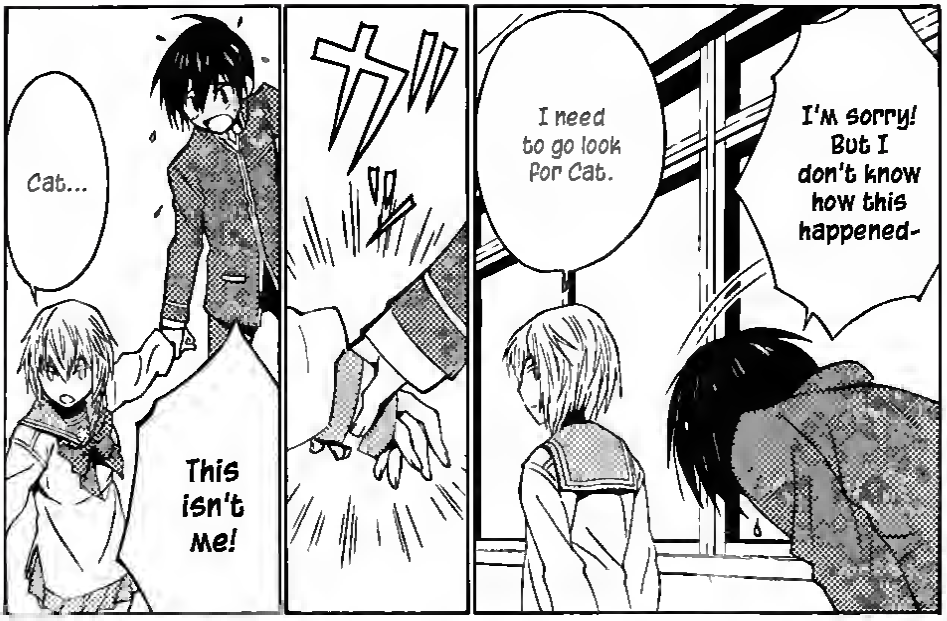


!!
What is with the movement of his hands!?



Don't get carried away...!
KYA!
KYA!

Are you alright?



Cat...
This isn't me!
I need to go look for Cat.
I'm sorry! But I don't know how this happened-

Cat...
Aah! There it goes again!

How is it on your end? Did you find him?
Cat's not here either.

Shikishima-san! Please run away this time!
Keep calm.
By the way...
How should I interpret the proximity of our faces...?
Eh!?
P-Please move away!
At this rate...!

What will happen...
What will happen?
At this rate
BA-DUMP
That is...
Well...
Good going! Go on...!
Go on...!
14

Move away?
Anyway, please...!
Move away...!
I can't stop it anymore...!

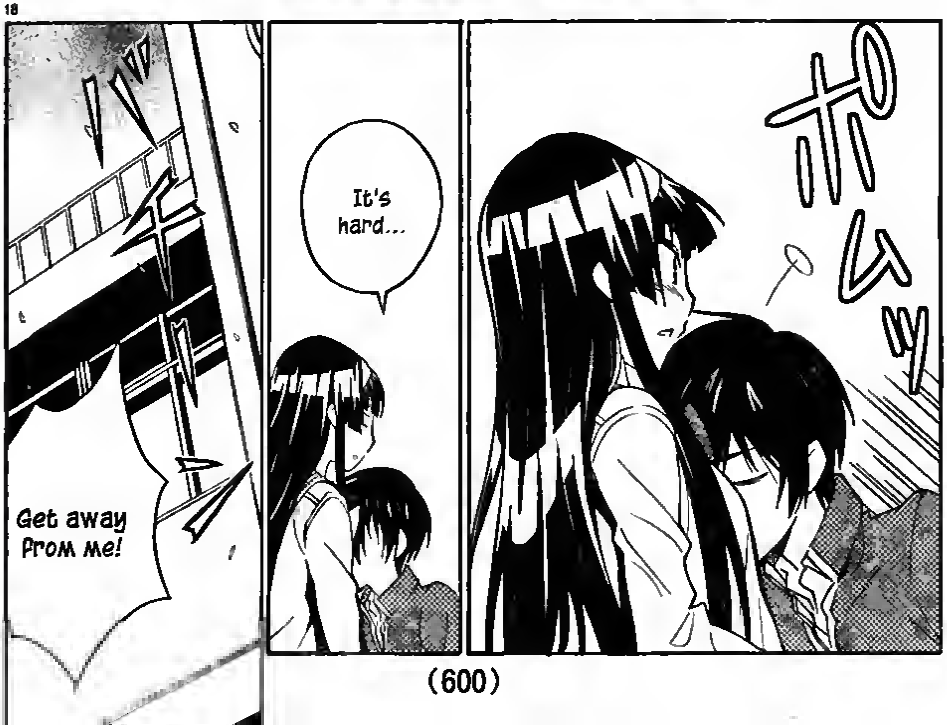
I keep telling you! Stop horsing around!
I'll take my leave now...
Oh, so he was just messing around...

What on earth are you doing?
Come on.
Himeshiro-san!?
H-
17
Don't be stupid.
Ah!
You mustn't get close to me! Please stay away!!
I don't know what I might do to you right now!!

I won't go away from you anymore.
As you wished before.

Whoa!
H-Himeshiro-san!

18



Get away from me!
It's hard...

Tadano-sensei.
What is it, Hanasaka? Your face is all red.
職員室
I don't think I can stand it any longer!
Ooh!? What's with the sudden exaggeration!?
I think that my body is being controlled by my sexual desires!!
Eeh!? What's with that agitating confession!?
My hands just moved on their own and violently massaged Shikishima-san's chest like this...
Eeeh!? That sounds really grand, in a lot of ways...

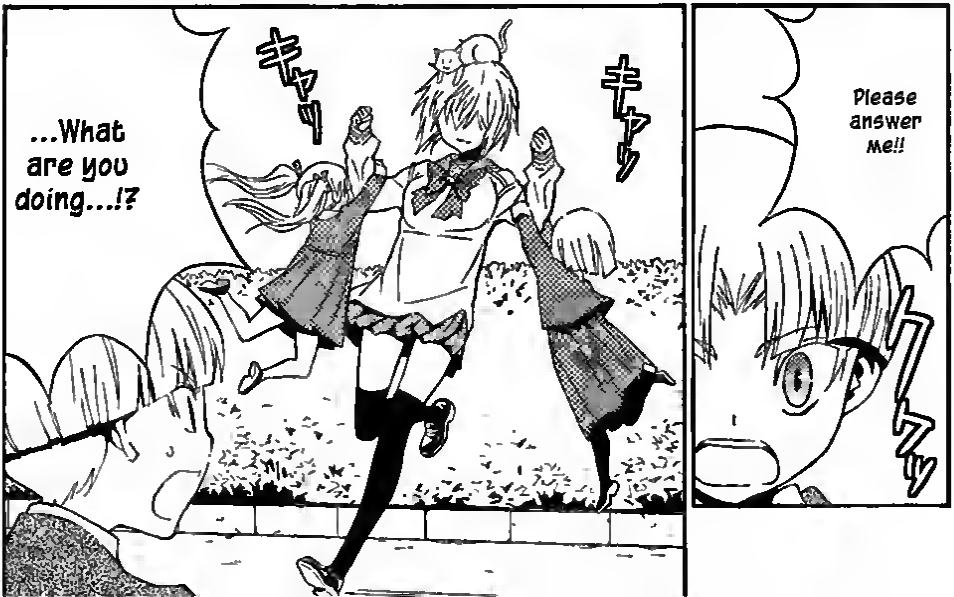
別冊 毎月12日発売!!

Were our actions during the election to your liking?
I take pride in the fact that we were able to serve you considerably.
However, we have come today for a different reason.

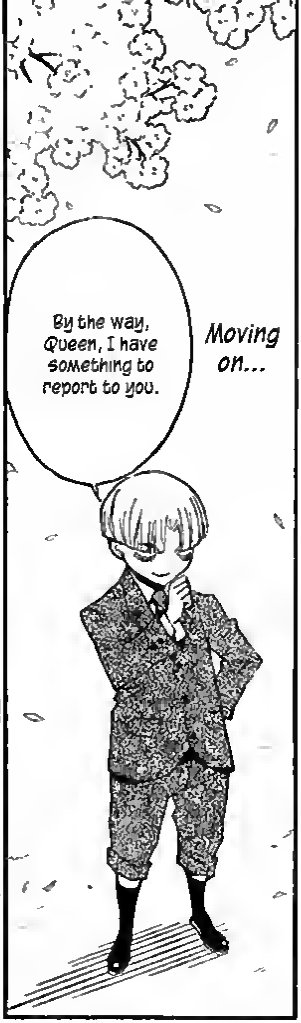
Why must you be surrounded by such people!?
Why must you be their guardian!?
I cannot comprehend it!



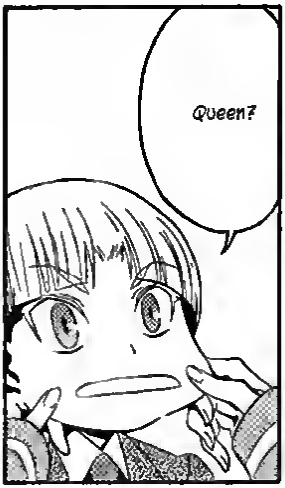
Please answer me!!
...What are you doing...!?
キャッ
キャッ

Regarding the project that you previously opposed,
I have continued it under my own discretion.

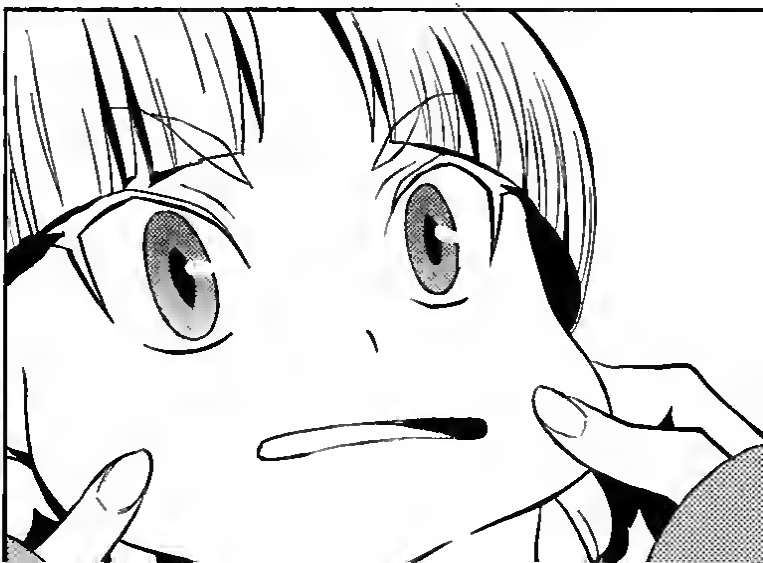
Here is proof of its completion!



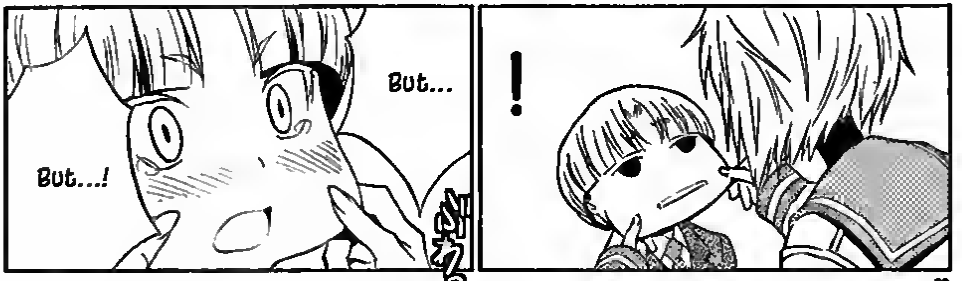
By the way, Queen, I have something to report to you.
Moving on...



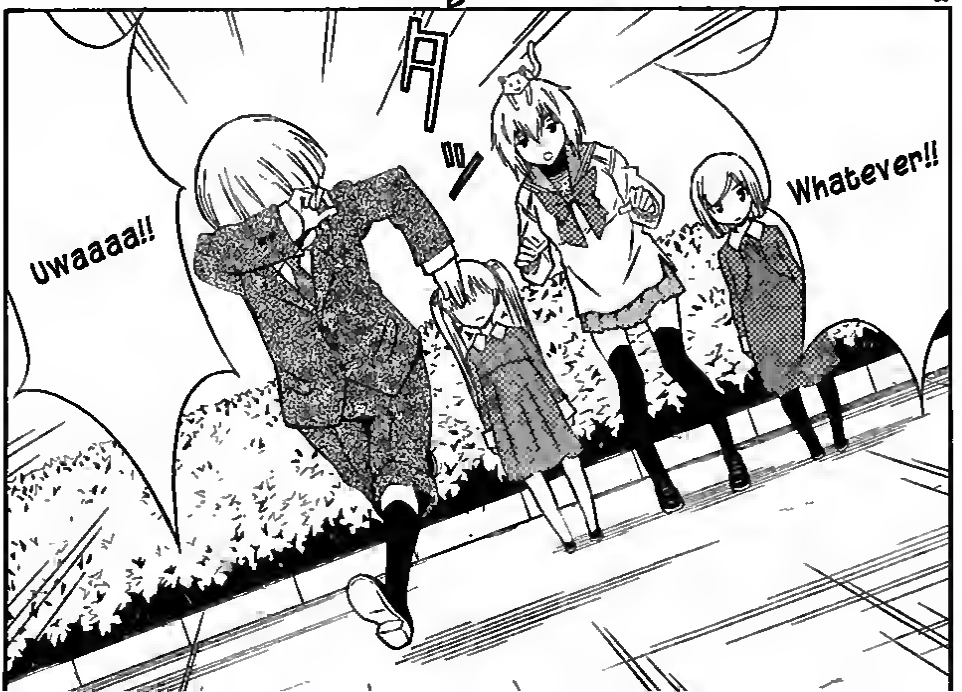
Queen?



Doing that kind of thing... is bad!!
Bad!!



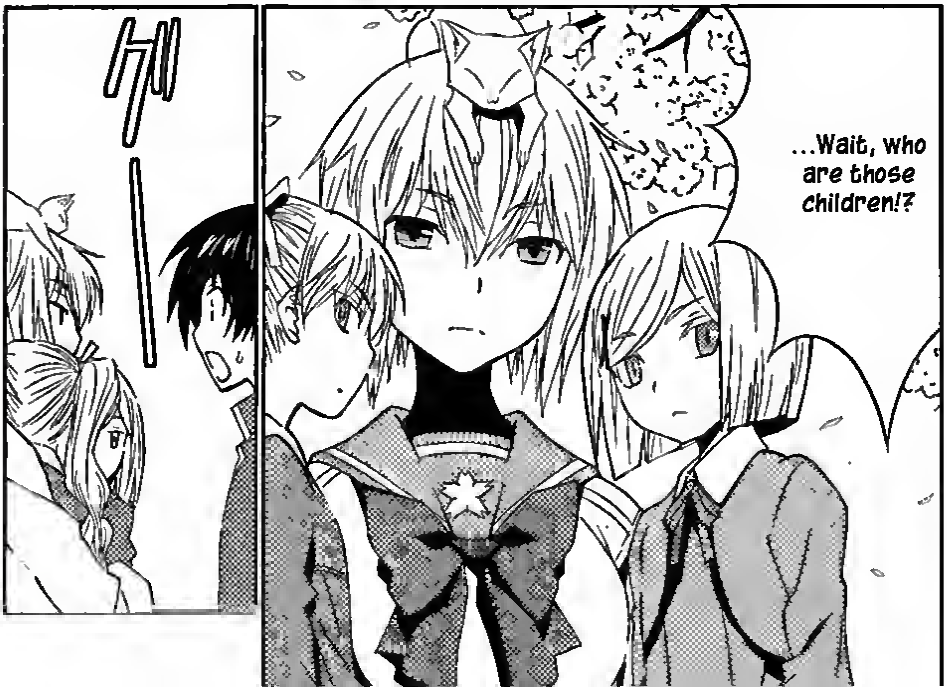
But...!
But...
!



Uwaaaa!!
Whatever!!

Tadano-sensei, you're too reckless.
Well, that's pretty common for youngsters anyway.
It's common!?
For now, just try going as far as you can.
I won't ever ask for advice from him again.

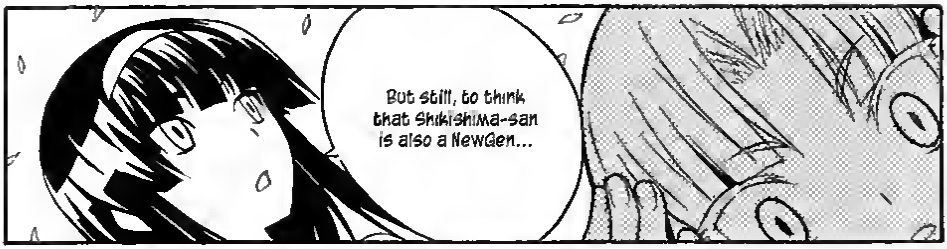
Ah, it's Shikishima-san I need to apologize about earlier..



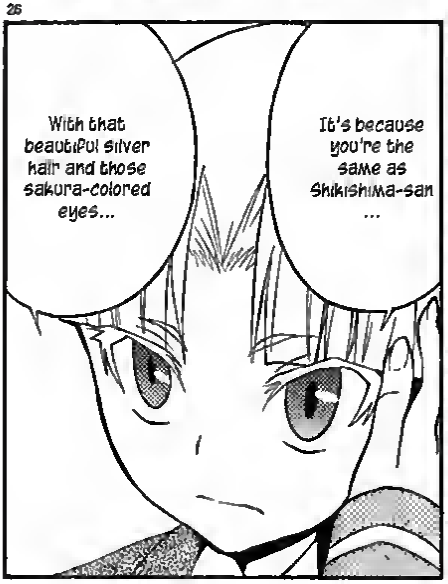
...Wait, who are those children!?

"The two of us will go home now," huh...
They're not gonna... are they?
Stupid stupid stupid! Stupid Queen!
I worked so hard for her sake... And yet, she...!
はっ
O-Oh no...
Who... are you?

No, I, uh, I think I might be lost...
You're a NewGen, right?
How do you know that!?
Eeeh!? You're really a NewGen?
I just tried saying that because there's no way a foreigner's child could be in a place like this, but...
That's great! I wanted to meet one of you at least once!



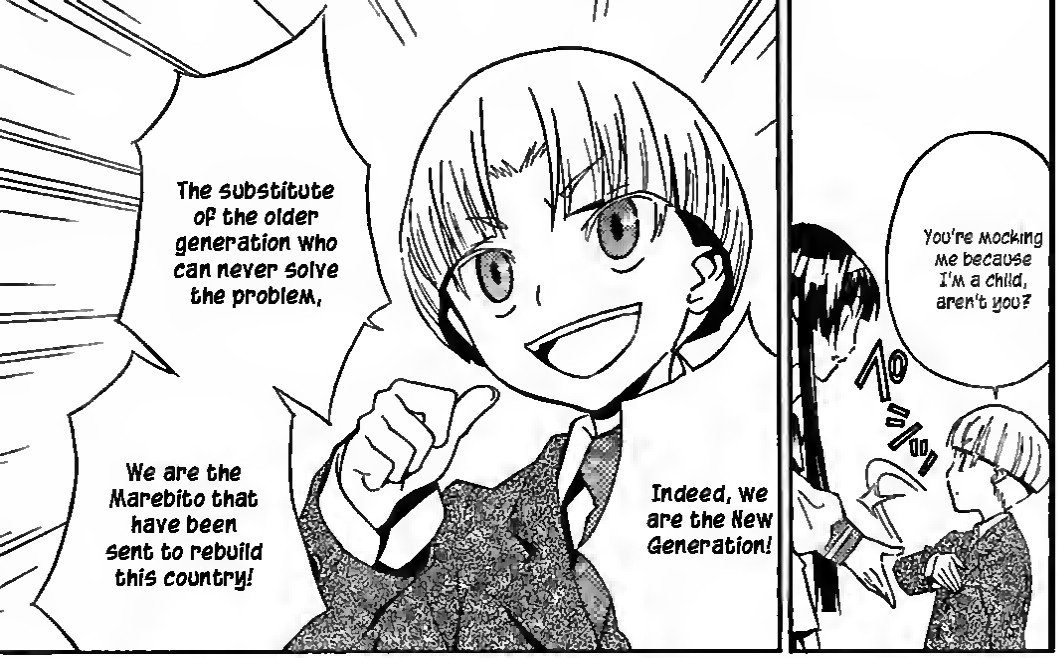
But still, to think that Shikishima-san is also a NewGen...



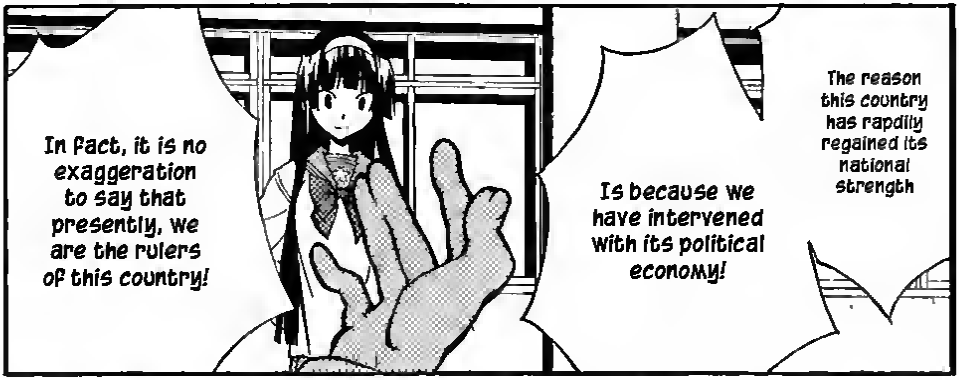
With that beautiful silver hair and those sakura-colored eyes...
It's because you're the same as Shikishima-san ...

Chiro...!

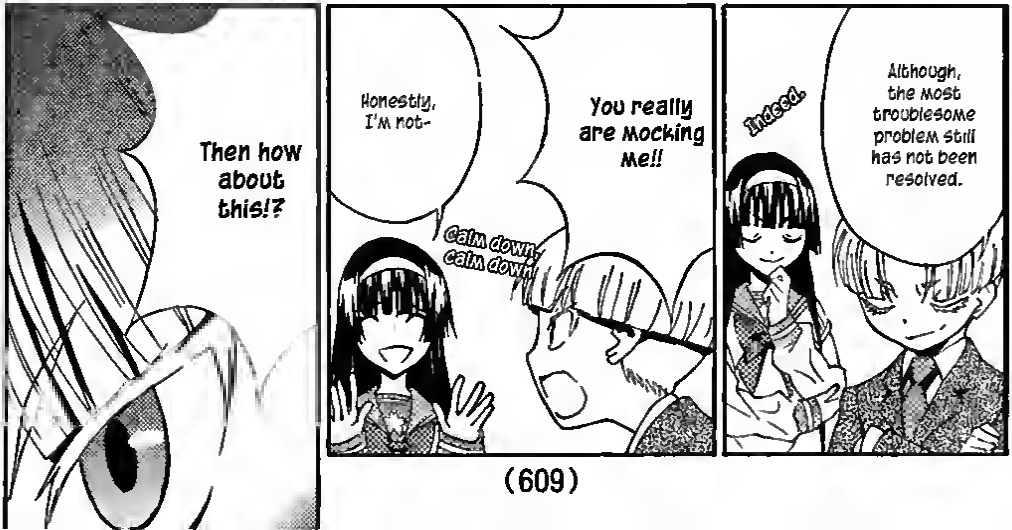
How do you know that as well-
Oh, so it's true?



The substitute of the older generation who can never solve the problem,
We are the Marebito that have been sent to rebuild this country!
Indeed, we are the New Generation!
You're mocking me because I'm a child, aren't you?



In fact, it is no exaggeration to say that presently, we are the rulers of this country!
Is because we have intervened with its political economy!
The reason this country has rapidly regained its national strength



Then how about this!?
Honestly, I'm not-
You really are mocking me!!
Calm down, calm down!
Indeed.
Although, the most troublesome problem still has not been resolved.

Eh?
Do you know what this is, older generation?
Eradicated from this world a long time ago,
This is called the Influenza Virus. As long as I have this...

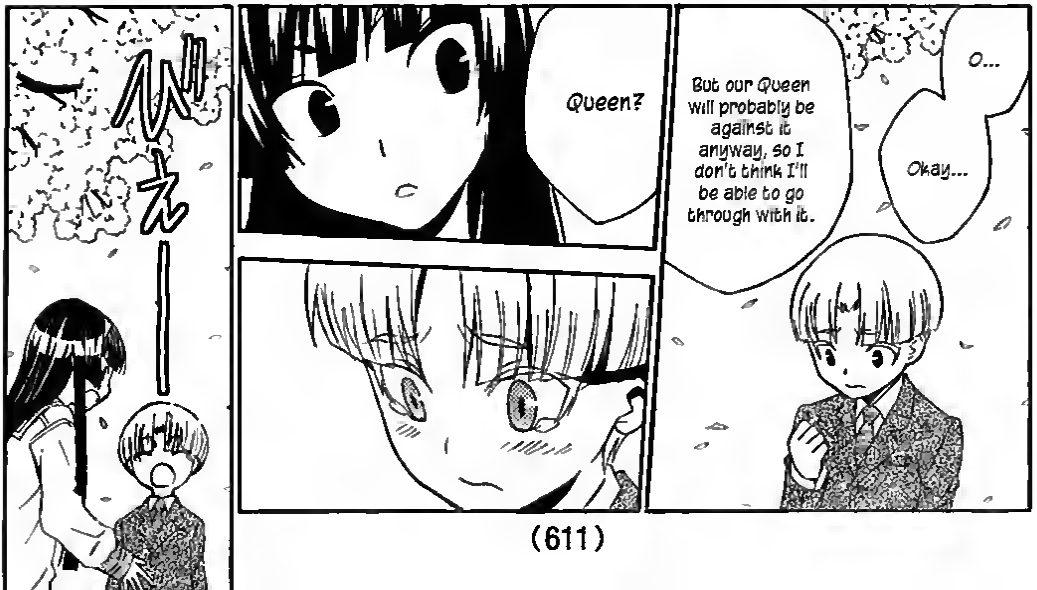
You can solve the most troublesome problem in just one go!
That's amazing! If you have this, then you have power over the life and death of this country's old men!

28

But, there's a possibility that those old men have antibodies, so you need to thoroughly mutate it first!
Give that back...!
Wait...!
...So, you're going to spread the virus after the chosen ones have taken the vaccine or something like that!?

Or so I say, but you NewGen are planning to use this on us older generation
When the time comes, aren't you? On top of making your authority and influence greater...

Well anyway, be careful when the time comes that you have to use it.
Other countries might take interest in it, so keep your eye on domestic and international trends.
Lastly, don't underestimate the power of the older generation. No matter how much better you are, you are still the minority.



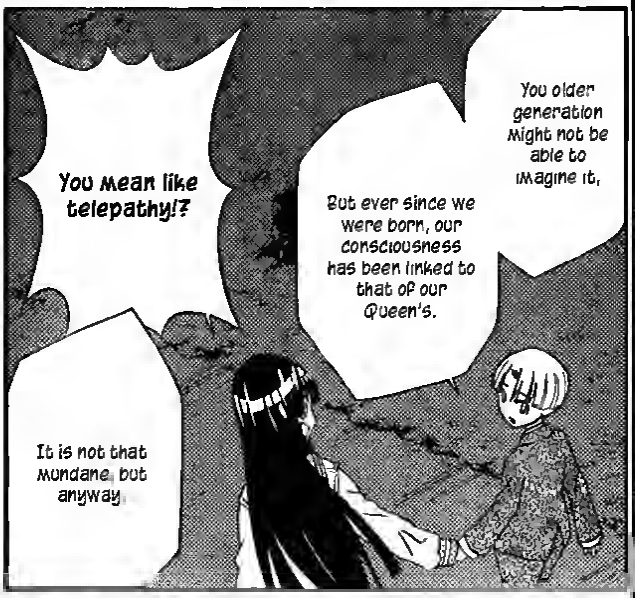
O...
Okay...
But our Queen will probably be against it anyway, so I don't think I'll be able to go through with it.
Queen?
へぇー

Eeeeh!? Shikishima-san is your queen!?
By queen, you mean that kind of queen!?
Yes, that person is the Queen that guides us New Generation

Your Queen scolded you, that's why you were crying, huh?
Stop laughing! I knew it, I really don't like you!

But why is she your Queen? Did the government decide on it or something?
No. We were the ones who chose her.
Why?
Because the Queen waited for us.

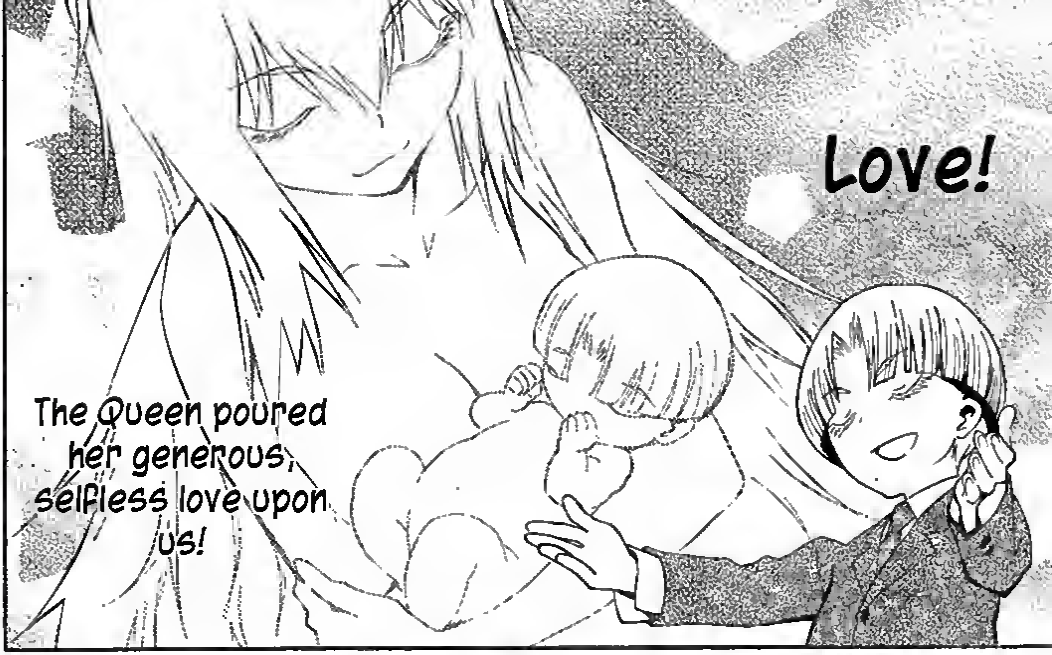
That's not all.
So you made her Queen because you felt grateful to her for that?



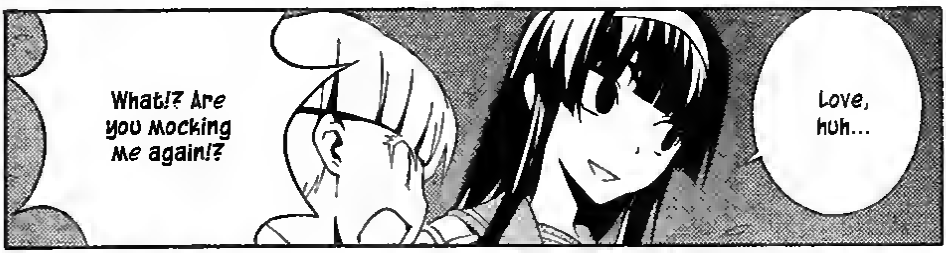
You mean like telepathy!?
It is not that mundane, but anyway...
But ever since we were born, our consciousness has been linked to that of our Queen's.
You older generation might not be able to imagine it,

It could be for no reason other than...
And most of all...
the Queen bestowed upon us all the knowledge that she gathered during those ten years.
In order for us newborns to learn how to protect ourselves,

Ten years is a long time. We were too late in being born.
Before we were born, the Queen waited for us all alone.



Love!
The Queen poured her generous, selfless love upon us!

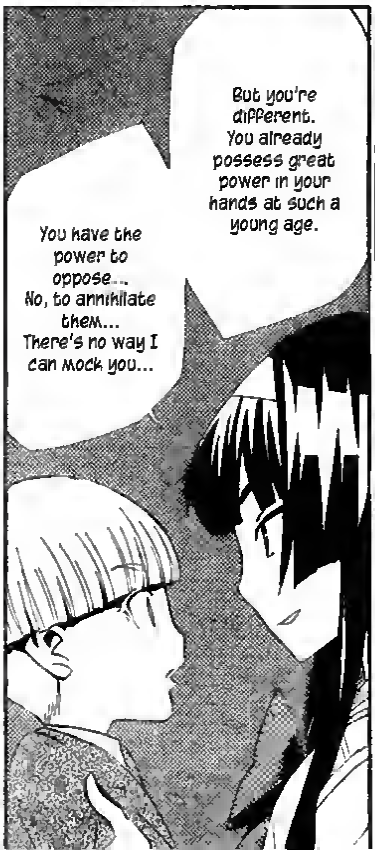


What!? Are you mocking me again!?
Love, huh...

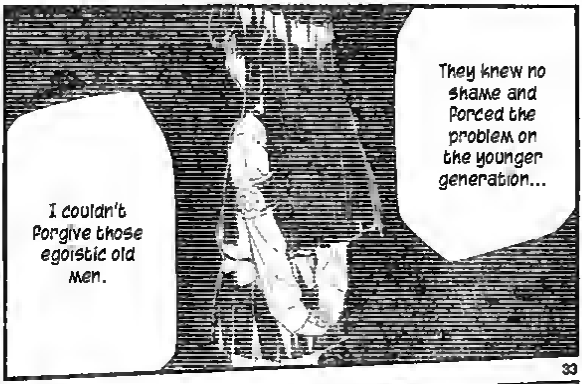
But they're the ones...
That is a heresy. We won't accept that.
Sure, they're a little strange...
You're exactly the kind of person I want to become.
There's no way I'm mocking you.
I never knew that the NewGen...
Were children like this...
And try to gain my favor!
I-It's pointless to say that

別冊 毎月12日発売!!

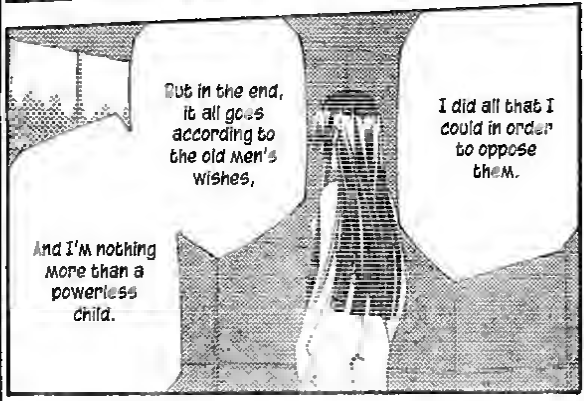
What?
You NewGen really are the best.
Who seem more human.



But you're different. You already possess great power in your hands at such a young age.
You have the power to oppose... No, to annihilate them... There's no way I can mock you...



They knew no shame and forced the problem on the younger generation...
I couldn't forgive those egoistic old men.



I did all that I could in order to oppose them.
But in the end, it all goes according to the old men's wishes,
And I'm nothing more than a powerless child.

You can go ahead and kill us after that...
So, about what we were talking about earlier... Can you wait just a little bit longer?

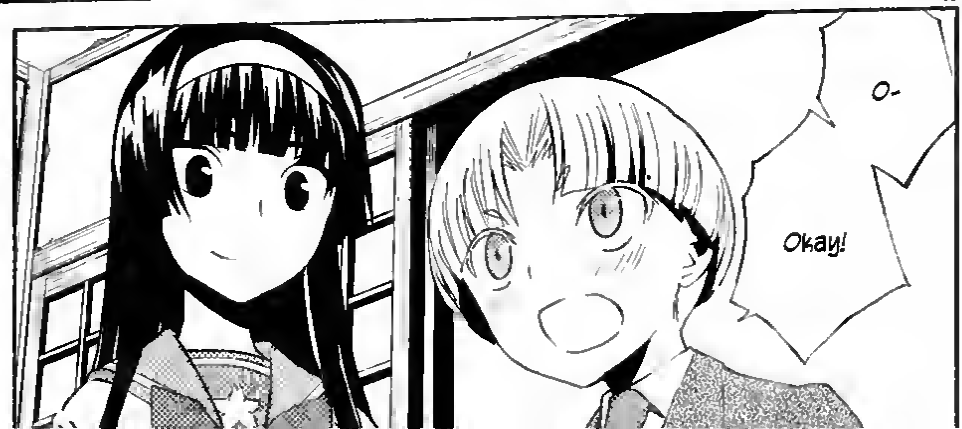
Please...
Wait until the LastGen's last youth ends... Just for a few more years.

Thank you.
...I'll give it some thought.

Actually, my companions have been contacting me...
B-But...
Do you want to come over to my place?
We've got a very good cook.
GROWL~

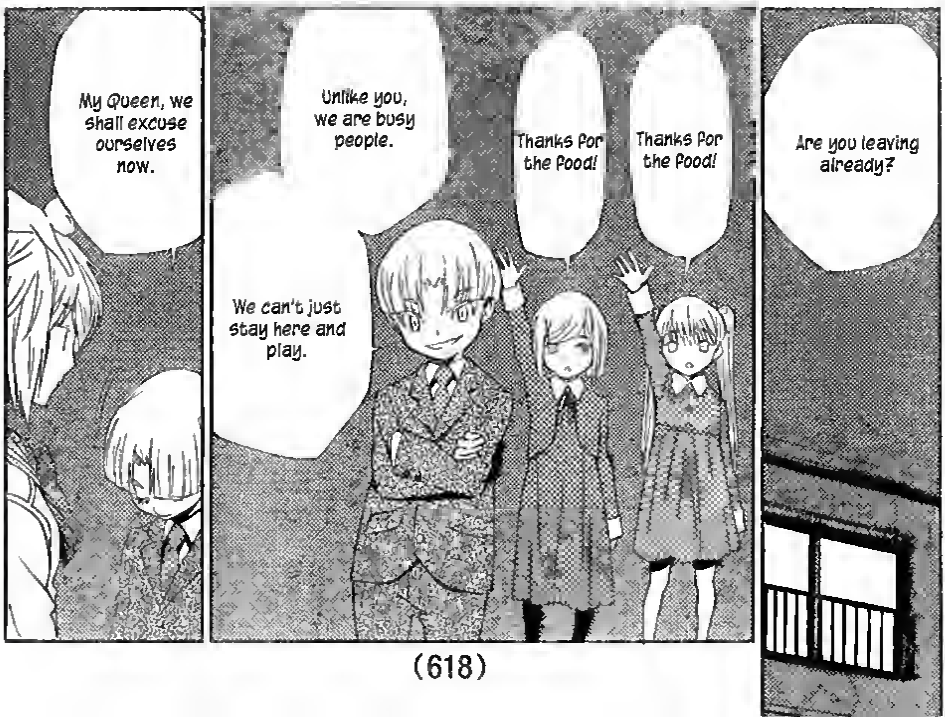
Wha!?
Why are you two in here...!?
Come on.
ポン

My Queen, I apologize for my-
Suzuki-kun.
Let's eat together.



O-
Okay!

YUMMY!
YUMMY!
MMM~!

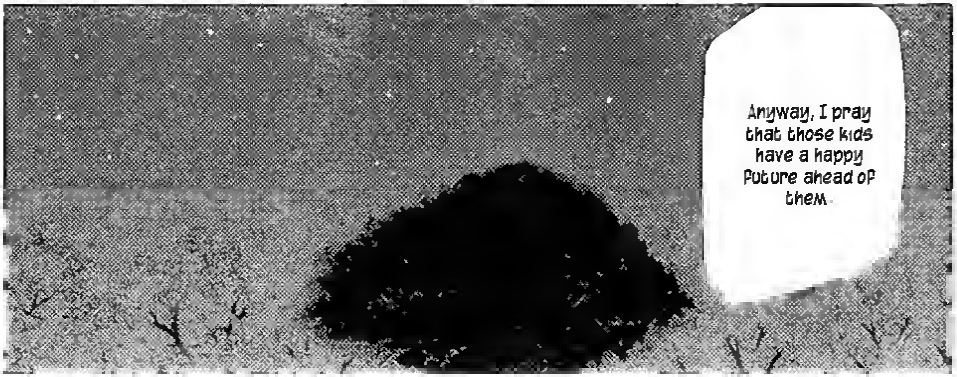


My Queen, we shall excuse ourselves now.
Unlike you, we are busy people.
We can't just stay here and play.
Thanks for the food!
Thanks for the food!
Are you leaving already?

Is it alright for those kids to go this late at night?
No need to worry. Presently, there is nothing in this country that can harm those children.
Good-bye
Good-bye
Good-bye
1AI
If you feel like it, you can always come over.
If I find the time, I will.

I wonder when we'll meet them again...

37



Anyway, I pray that those kids have a happy future ahead of them.

THOSE GATHERED HERE ARE GREATLY INVOLVED IN THE COUNTRY'S FUTURE.

To be continued in the May issue!
